Mystic in the Marketplace

*Teachings on Mystical Principles as applied to
Transformation, Healing and Cultural Evolution With Non-Dual Teacher Thomas Huebl*

AFTERNOON JULY 7TH & ALL DAY JULY 8TH | BOSTON, MA

*Please join us for a rare chance to study in depth and in person
with mystical teacher Thomas Huebl.*

We will be inviting Mobius facilitators, trainers, coaches, mediators, and clients to spend this day and a half together exploring what mystical principles can teach us about the nature of transformation, deeper healing and the subtle competencies that underlie our personal mastery work within Mobius.

Many of us have had the chance to study with Thomas over the last two years, participating in his Timeless Wisdom two-year training or participating in his online courses on mystical principles, the mystical principles of healing or his foundational method called transparent communication. Those of us that have been able to engage the teaching, and participate in focused practice groups called Triads, have been very moved and found that the resonance to our client work is extensive.

We look forward to widening our circle of learning and practice with this event planned exclusively for the Mobius community.
